

## ASX Announcement Exploration Permit Received

---

7 September 2020

Sihayo Gold Limited (**ASX: SIH**) is pleased to announce that the exploration permit allowing the company to commence its previously announced, planned exploration program has been received.

The company will now mobilise contracted drill rigs and resources to Hutabargot Julu and expects drilling to commence within weeks.

A reminder to shareholders, prospective investors and analysts that they are invited to participate in a webcast on Wednesday, 9 September 2020 at 2:00pm AEST, where there will be an opportunity to obtain more information related to the exploration program from Executive Chairman, Mr Colin Moorhead. The link is below.
