Dear Sir/Madam

RESULTS OF ANNUAL GENERAL MEETING FOR SHAREHOLDERS – 27TH NOVEMBER 2009

Oropa Limited's annual general meeting was held today at 11.00am and we now advise that all resolutions as set out in the Notice of Annual General Meeting dated 26 October 2009 were carried with the required majority on a show of hands.

In accordance with section 251AA of the Corporations Act 2002, we advise that proxy votes were received as follows:

Resolution 1 – Adoption of Remuneration Report

For:	137,648,232
Against:	122,916
Abstain:	10,591,110
Discretionary:	500,788
Total	148,863,046

Resolution 2 – Re-Election of Mr Philip Christie

This resolution was withdrawn from the meeting as Mr Christie resigned from the board since the despatch of the Notice of Meeting.

Resolution 3 – Re-Election of Mr Ian Macpherson

For:	128,517,352
Against:	19,844,906
Abstain:	0
Discretionary:	500,788
Total	148,863,046

Resolution 4 – Re-Election of Mr Paul Willis

For:	148,362,258
Against:	0
Abstain:	0
Discretionary:	500,788
Total	148,863,046

Resolution 5 – Ratification of Previous Placement of 38,221,409 ordinary shares at \$0.04 per share

For:	107,815,169
Against:	2,322,800
Abstain:	38,221,489
Discretionary:	503,588
Total	148,863,046

Resolutions 6 – Approval of Mining Advisory Consults Pte Limited (“MAC”) fundraising offer comprising of a share issue of 24,071,720 shares at \$0.04 each and issue of 74,500,000 call options at \$0.05 and \$0.06 each

For:	110,093,969
Against:	46,800
Abstain:	38,221,489
Open:	500,788
Total	148,863,046

Resolutions 7 – Approval for Change of Company Name

For:	139,541,906
Against:	2,390,232
Abstain:	6,430,120
Discretionary:	500,788
Total	148,863,046

Yours faithfully
OROPA LIMITED

MISHA COLLINS
Chairman

OROPA LIMITED
AGM 2009
CHAIRMAN'S ADDRESS

MISHA COLLINS

Chairman's Address

œ Why Sihayo Gold?

œ Recognition of our significant local skill base in Indonesia

- ❑ Oropa has 15 years of experience of doing business in Indonesia through Sorikmas
- ❑ Team has been further bolstered through the partnership with MAC and its network

œ Indonesia IS an attractive place to do business

- ❑ Close proximity to other Asian success stories has led to strong incentives for foreign investment
- ❑ Young population
- ❑ Low levels of consumer debt
- ❑ Attractive natural resources
- ❑ BUT success requires strong local presence and understanding

œ Gold is an attractive asset class with a favourable outlook

- ❑ Global government debt rising with more to come given budgets remain heavily in the red
- ❑ Quantitative easing and other stimulus have greatly expanded the money base – modern day printing presses are already switched on
- ❑ Attitudes to gold are changing. Central banks beginning to buy. The public seeing gold as a store of value in difficult times.

Chairman's Address

œ Why Sihayo Gold?

œ **Our Sumatran tenement base is highly prospective with significant potential for short and longer term growth**

- ❑ Immediate focus remains on growing Sihayo resources which have demonstrable upside
- ❑ Large number of additional attractive targets over a wide area to drive future growth
- ❑ Legal title is strong
- ❑ Gold exploration tenements with proven resources showing potential for significant growth are rare

œ **Combination of skills, resources and positive market outlook provides an opportunity to build a significant business**

- ❑ Requires focus and understanding of competitive advantage as well as hard work
- ❑ New name is a reflection of the opportunity and skills in place and sets a clear direction for the future
- ❑ Successful execution provides the potential for substantial shareholder returns

DISCLAIMER

- § This Document (and the information contained herein) is confidential to Oropa Limited (“Oropa” or “the Company”).
- § This Document is not intended for and should not be distributed to any other person than as permitted herein. By receipt of the Document, the Recipient agrees that it will not transmit, reproduce or make available the Document (or any Information contained herein) to anyone other than its professional advisers without the prior written consent of Oropa. Upon deciding that it does not wish to proceed with a transaction, or at the request of Oropa, the Recipient will return, as soon as practicable, this Document together with any reproductions of it and any other Information which the Recipient may have received from the Parties.
- § This Document is being provided exclusively to investors that qualify pursuant to Section 708 of the Corporations Act for the sole purpose of providing background information to enable the recipient to review the potential for the provision of equity funding to Oropa. It is not intended as an offer, invitation, solicitation or recommendation with respect to any potential transaction.
- § Oropa make no representation or warranty (express or implied) as to the accuracy, reliability or completeness of the information. Oropa and its directors, employees, agents, advisers and consultants shall have no liability (including liability to any person by reason of negligence or negligent misstatement) for any statements, opinions, information or matters (express or implied) arising out of, contained or derived from, or for any omissions from this Document
- § Oropa, its servants or agents, make no recommendations as to whether you should participate in the Rights Issue for Oropa nor do they make any recommendation or warranty to you concerning the options or shares or accuracy, reliability or completeness of the information provided or the performance of the Company.
- § Potential investors must make their own independent assessment and investigation of the opportunity and should not rely on any statement or the adequacy or accuracy of the information provided. The information provided does not purport to cover all relevant information about any potential investment in Oropa. Accordingly, potential investors are advised to seek appropriate independent advice, if necessary, to determine the suitability of this investment.
- § The Document contains reference to certain intentions, expectations and plans of Oropa. Those intentions, expectations and plans may or may not be achieved. They are based on certain assumptions which may not be met or on which views may differ. The performance and operations of Oropa may be influenced by a number of factors, many of which are outside the control of Oropa. No representation or warranty, express or implied, is made by Oropa or any of its directors, employees, agents, advisers and consultants that any intentions, expectations or plans will be achieved either totally or partially or within a prescribed timeframe or that any particular rate of return will be achieved.
- § The Information disclosed relates to the proposed business of Oropa at the date of this Document. Material information may have changed since the date the Document was compiled. No responsibility is accepted to advise any person of any change.
- § Neither the provision of this Document nor any information contained in this Document or subsequently communicated to any person in connection with this Document is, or should be taken as, constituting the giving of investment advice to any person.
- § By accepting this Document you acknowledge and agree to be bound by each of the foregoing statements.

INVESTMENT HIGHLIGHTS

Focus on the Sihayo Gold Project

- § 1.01 Million once gold resource at Sihayo and growing
- § Positive scoping study by SRK forming the basis for the Definitive Feasibility Study
- § Significant potential to increase resource base
- § \$6.5 million funding package secured to carryout Definitive Feasibility Study (DFS)
- § New focused management team
- § Aim to move into production mid 2012
- § Operating company (PT Sorikmas) is one of a limited number of Companies legislated to mine in Indonesia
- § JV with PT Antam – Indonesian Govt mining company (75% ORP, 25% PT Antam)
- § Secure tenure through previous Contract of Work system (CoW)

FOCUS AT SIHAYO - TRANSLATE POTENTIAL INTO VALUE . . .

Focus on development of Sihayo Gold Project

- Two fold strategy
 1. Complete Definitive Feasibility Study by late 2010
 - Positive Scoping Study completed at US\$800 per oz
 - Feasibility team has commenced work and resource drilling underway
 - Approvals and construction 2011 to mid 2012
 - Aim for production by mid 2012
 2. Expand current resource base
 - We believe there is potential for a multi million ounce resource
 - 7km long mineralised structure – open to the north
 - Limited historical drilling outside current resource
 - Recent exploration drilling continues to discover broad regions of additional gold
 - Low discovery cost to date – US\$7.50 per ounce
 - Exploration drilling to continue in parallel to DFS

Management Team

High level of Indonesian Experience

Oropa

Tony Martin	– CEO (Perth)	25 years exploration and management experience
Paul Willis	– Director (Jakarta)	20 years investment and finance experience principally in SE Asia
Greg Entwistle	– DFS Project Coordinator (Perth)	20 years Indonesian experience, ex Matarbe project director
Dean Pluckhahn	– Senior Project Geologist (Jakarta)	10 years experience in Indonesia and SE Asia

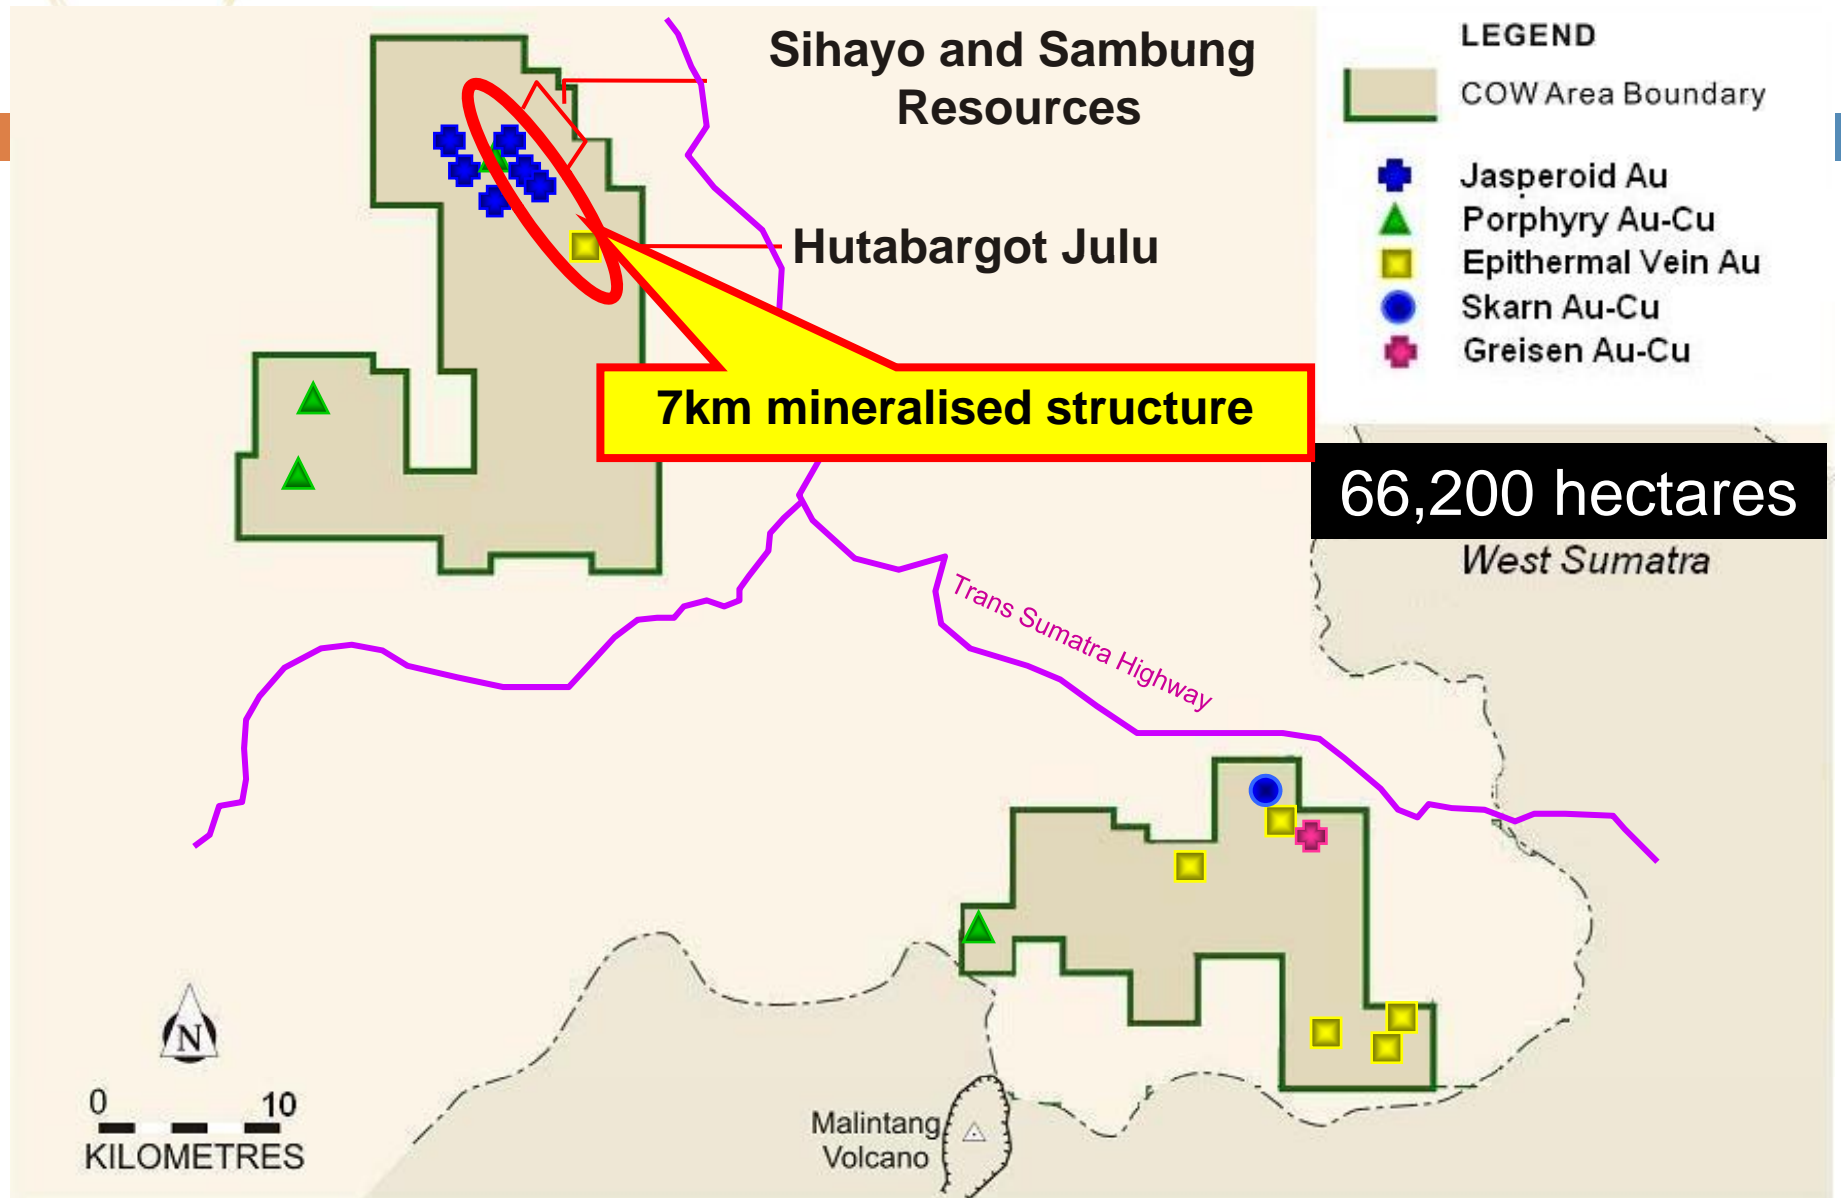

PT Sorikmas

Rod Jones	– President (Jakarta)	Geologist 28 years experience in Indonesia, involved with Sihayo for 14 years
Thomas Bubendi	– Senior Geologist (Jakarta)	20 years experience, involved with Sihayo for 14 years

SIHAYO – WORLD CLASS LOCATION

PUNGKUT – CONTRACT OF WORK

RESOURCE SUMMARY

§ Two resources identified to date – Sihayo 1 N and Sambung

§ Sihayo 1 N 12.1Mt at 2.4g/t 910,000oz Inferred

§ Sambung 1.1Mt at 2.6g/t 100,000oz Inferred

§ Resources predominantly constrained by drilling

§ From surface to max depth of 200 metres – strongly oxidised

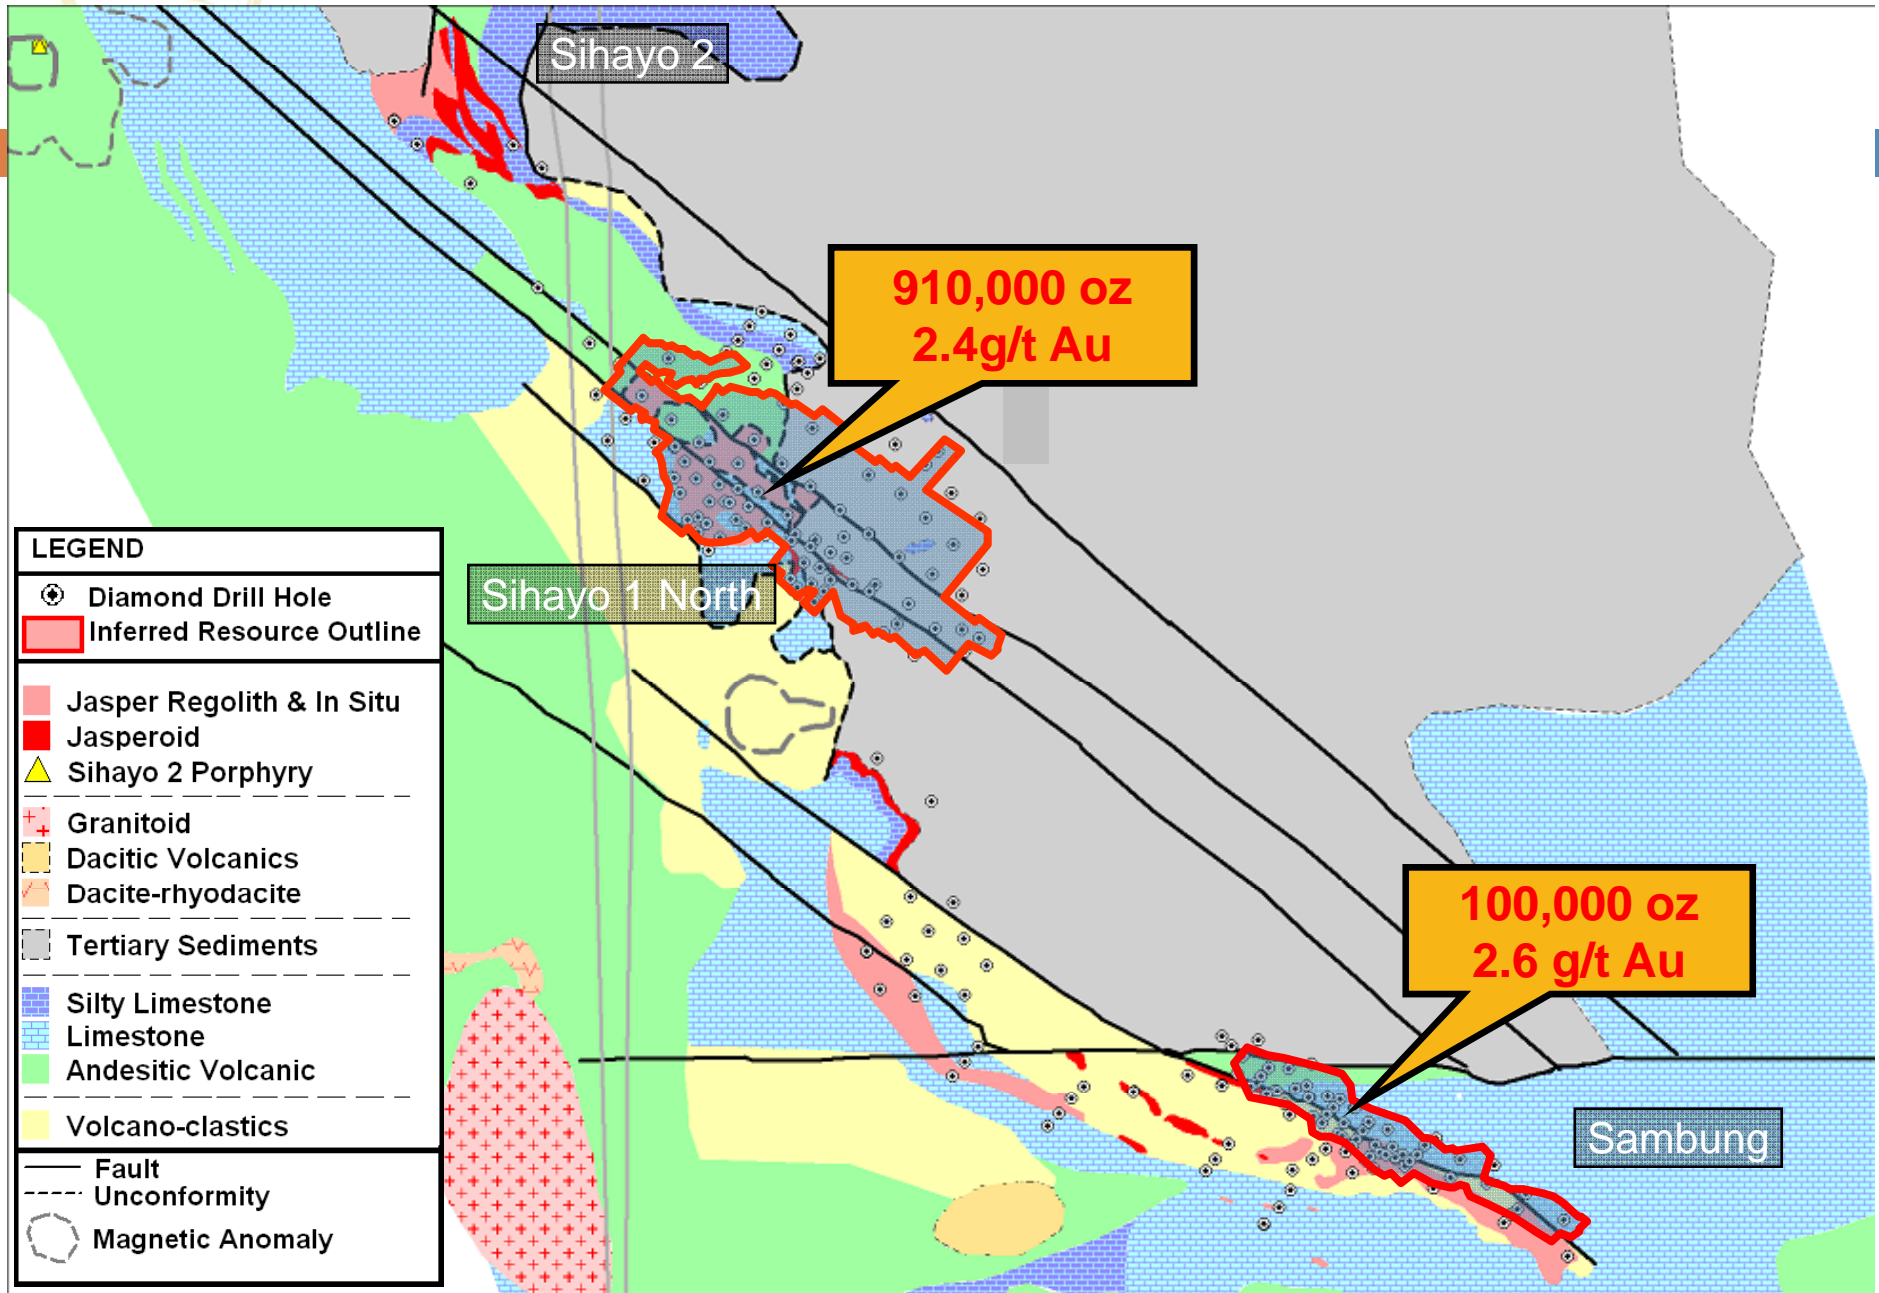

§ Drilling to convert resource from Inferred to Indicated and Measured underway

§ Upgraded resource up date expected May 2010

§ Four drilling rigs contracted to carry out resource drilling

§ Low discovery cost US\$7.50 per ounce

SIHAYO PROJECT RESOURCES

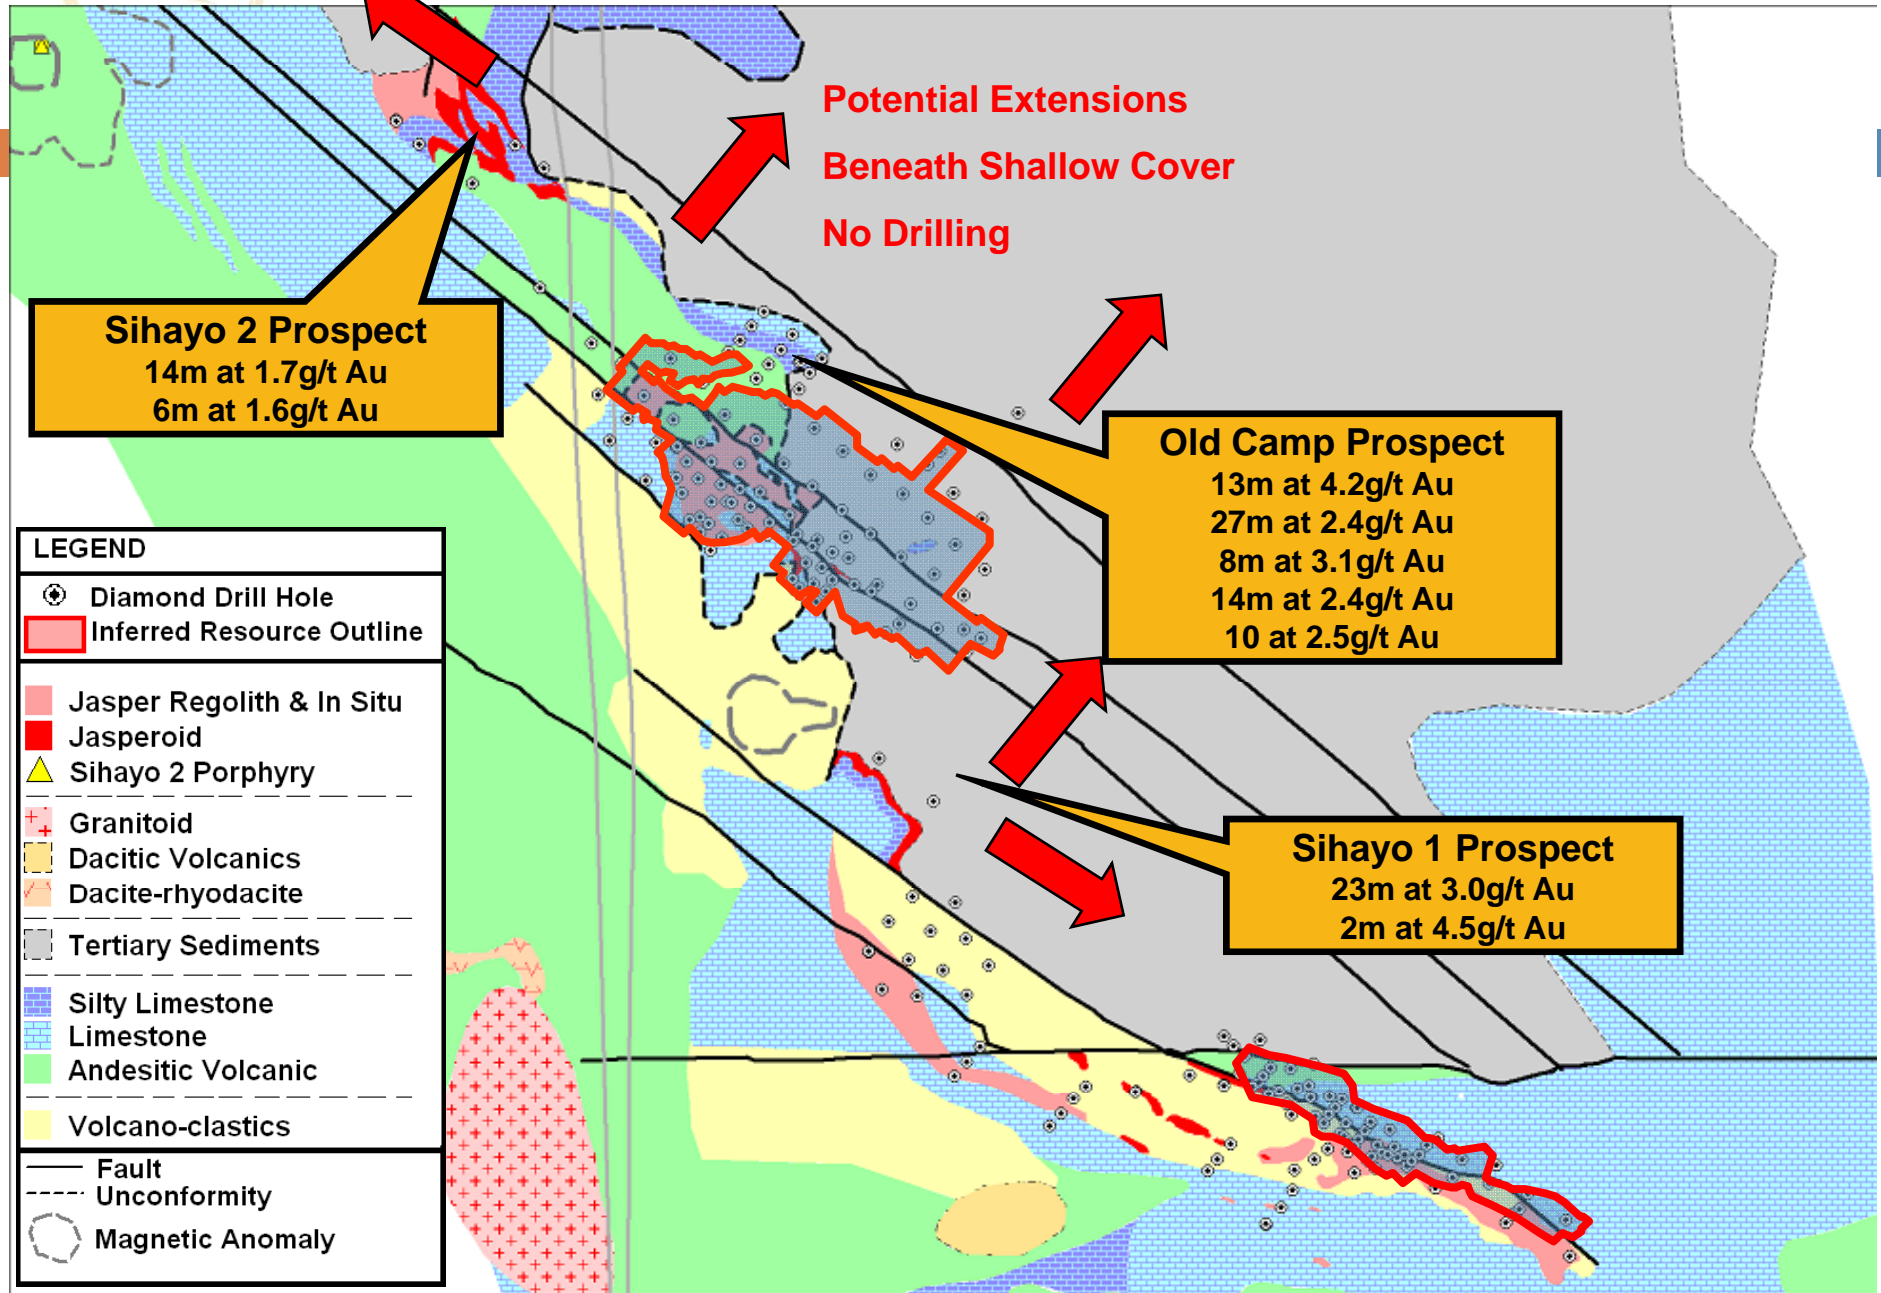

Exploration Success in past 12 Months

Potential significantly expand the Sihayo Resource

- § Drilling focused on 4km zone between Sihayo 2 and Sambung
- § Initial success in identifying continuous mineralisation adjacent to the main Sihayo 1N resource at Old Camp Prospect
- § Additional success at Sihayo 2 to the north and at Sihayo 1 between the two existing resources
- § Development of a new geological model which opens up a large area under cover to the North and West which has not previously been explored.
- § Adaption of new geochemical techniques to expand the search area to the north and south.
- § Aim will be to increase the potentially economic resource base by 50 to 100%.
- § Exploration drilling will continue in parallel to the DFS

SIHAYO TREND EXPLORATON POTENTIAL

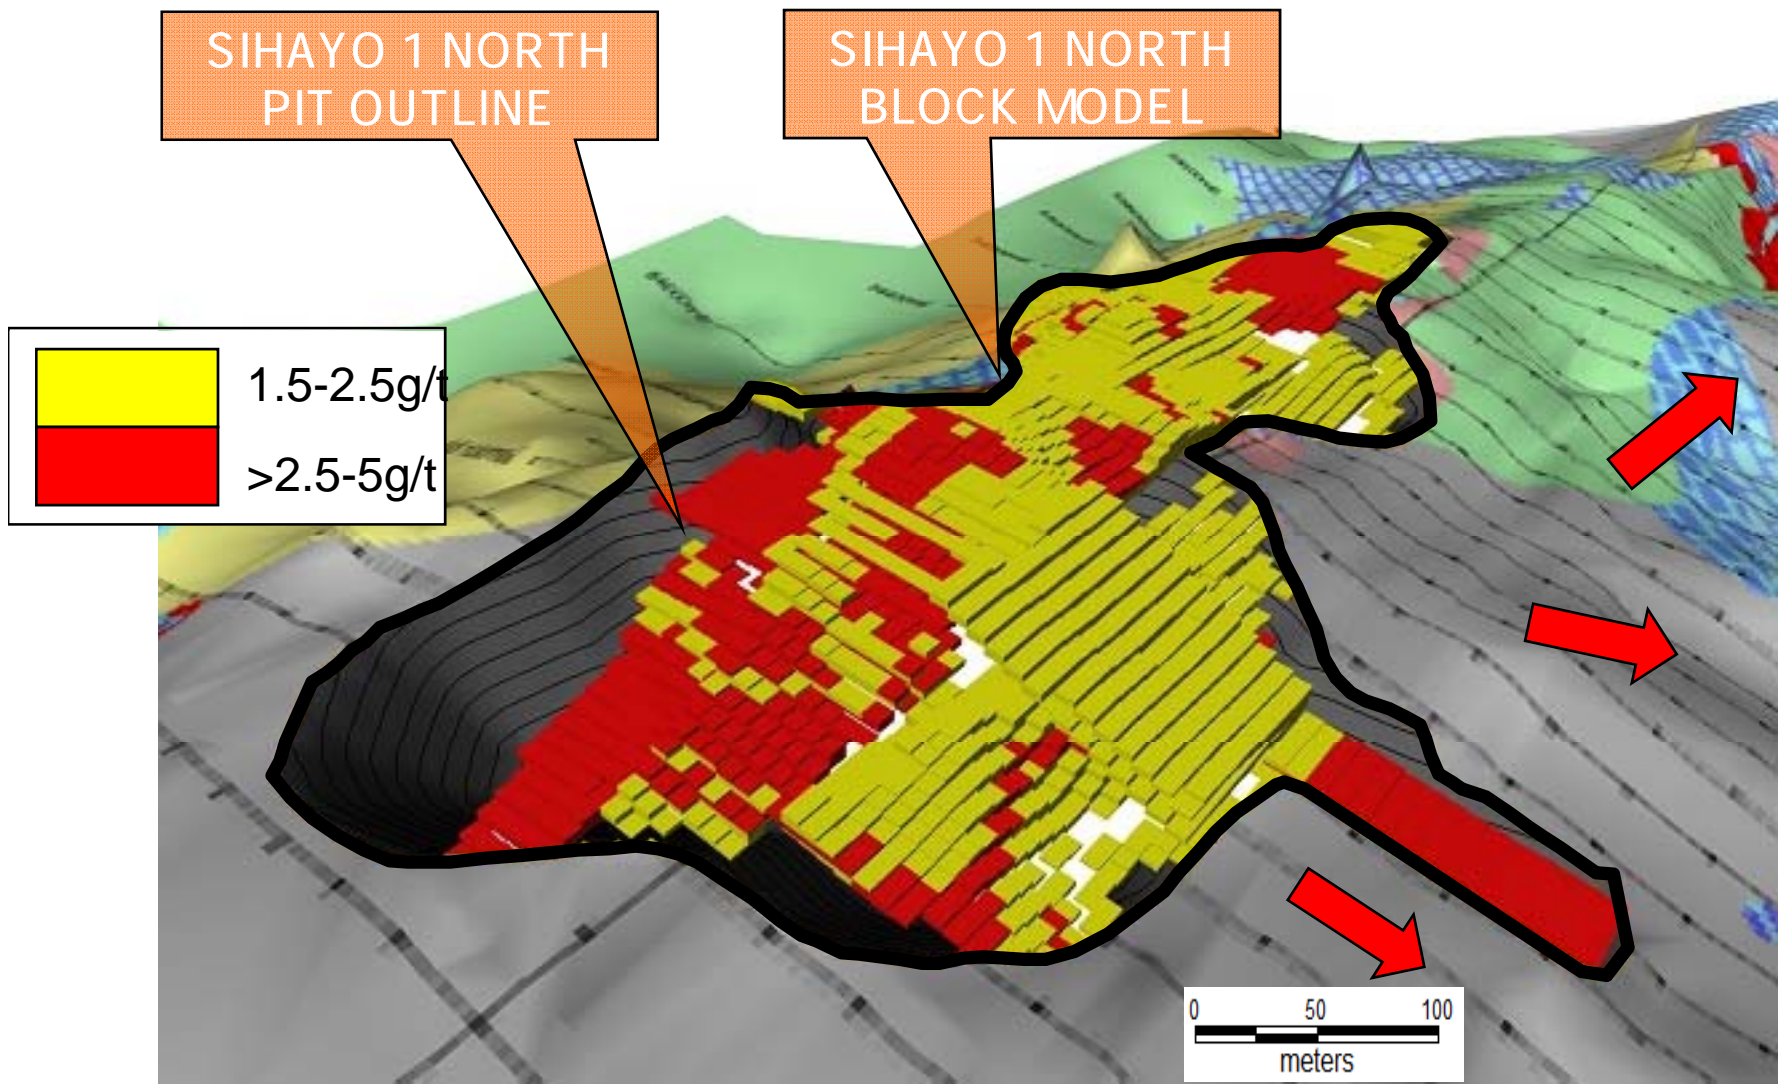

Independent Scoping Study (SRK) Outcomes

Ideal Platform for ongoing DFS

- Š 10 year Mine life with annual through put of 1 Mtpa
- Š Two open cut pits with low stripping ratio of 3.8 to 1
- Š Simple CIP/CIL metallurgy with estimated recoveries of 80%
- Š Estimated production of +60,000 oz per annum
- Š Conclusion: Technically and economically viable at US\$800 per oz gold

SIHAYO 1 N MINE PLAN

Opportunities Identified from Scoping Study

DFS focus on improved economic returns

- Š Gold Price significantly higher US\$1150 per oz
- Š Optimise location for plant – reduced haulage distance
- Š Domestic steel fabrication could have positive effect on plant CAPEX
- Š Potential for hydro electric power providing further cost savings
- Š Use of contract mining equipment but owner operated
- Š Excellent potential to extend resource base and mine life

Definitive Feasibility Study Program

Aim to deliver completed DFS outcomes by end 2010

- § \$6.5m funding package secured through MAC and IndoAust Mining
- § Project team with extensive recent experience in Sumatra
- § Resource drilling underway to be completed April 2010
- § Metallurgical and geotechnical studies commenced
- § Tailings storage facilities studies commenced
- § Environmental Studies commenced
- § Timeline
 - § Complete resource and mine plan by mid 2010
 - § Complete engineering and infrastructure by 3rdQ 2010
 - § Complete economic and environmental studies by end 2010

Regional Exploration Potential

Long term development of project pipeline in existing CoW

Moving Forward.....

.....Thank you for you attendance

EXPLORATION & GEOLOGICAL ATTRIBUTION STATEMENT

It is advised that in accordance with the Australian Stock Exchange Limited Listing Rule 5.6, information in this presentation that relates to Exploration Results is based on information compiled by Messrs Tony Martin, Dean Pluckhahn and John Garlick who are Members of the Australasian Institute of Mining and Metallurgy.

§Mr Tony Martin is Chief Executive Officer of Oropa Limited. Mr. Martin has sufficient experience which is relevant to the style of mineralisation and type of deposit which is under consideration and to the activity which Oropa is undertaking to qualify as a "Competent Person" as defined in the 2004 Edition of the "Australasian Code for Reporting of Exploration Results, Mineral Resources and Ore Reserves". Mr Martin consents to the inclusion in this report of the matters based on information in the form and context in which it appears.

§Mr Pluckhahn is a full time employee of Oropa Ltd's 75% owned subsidiary company P.T. Sorikmas Mining ("Sorikmas"). Mr. Pluckhahn has sufficient experience which is relevant to the style of mineralisation and type of deposit which is under consideration and to the activity which Sorikmas is undertaking to qualify as a "Competent Person" as defined in the 2004 Edition of the "Australasian Code for Reporting of Exploration Results, Mineral Resources and Ore Reserves". Mr Pluckhahn consents to the inclusion in this report of the matters based on information in the form and context in which it appears.

All statements in this report, other than statements of historical facts that address future timings, activities, events and developments that the Company expects, are forward looking statements. Although Oropa Ltd, its subsidiaries, officers and consultants believe the expectations expressed in such forward looking statements are based on reasonable expectations, investors are cautioned that such statements are not guarantees of future performance and actual results or developments may differ materially from those in the forward looking statements. Factors that could cause actual results to differ materially from forward looking statements include, amongst other things commodity prices, continued availability of capital and financing, timing and receipt of environmental and other regulatory approvals, and general economic, market or business conditions.
