ASX ANNOUNCEMENT 2 October 2009

CHANGE OF COMPANY NAME TO “SIHAYO GOLD LIMITED”.

The directors of Oropa Limited have determined that given the strategic focus on the future development of the Pungkut Gold Project in Sumatra, Indonesia, a new Company name would better reflect the nature of our operations.

After the evaluation of a number of possibilities, the name “Sihayo Gold Limited” has been selected. Sihayo was the first key gold exploration target at Pungkut and with resources of 1 million ounces of gold, today it remains the focus of our efforts to bring to the project into production. A resolution will be drafted in the upcoming AGM to enable shareholders to vote on the name change, which if approved, will take effect shortly thereafter.

Directors have commenced a strategic review of Oropa’s other exploration assets. All options will be considered which meet our objective of making continued operational progress and improving shareholder value, whilst ensuring the Company stays focused on our Indonesian gold assets.

Yours faithfully,
OROPA LIMITED

TONY MARTIN
Chief Executive Officer

It is advised that in accordance with the Australian Stock Exchange Limited Listing Rule 5.6, the information in this report that relates to Exploration Results is based on information compiled by Mr Tony Martin who is a Member of the Australasian Institute of Mining and Metallurgy.

- *Mr Martin is the Chief Executive Officer of Oropa Limited. Mr Martin has sufficient experience which is relevant to the style of mineralisation and type of deposit which is under consideration and to the activity which Oropa is undertaking to qualify as a “Competent Person” as defined in the 2004 Edition of the “Australasian Code for Reporting of Exploration Results, Mineral Resources and Ore Reserves”. Mr Martin consents to the inclusion in this report of the matters based on information in the form and context in which it appears.*

All statements in this report, other than statements of historical facts that address future timings, activities, events and developments that the Company expects, are forward looking statements. Although Oropa Limited, its subsidiaries, officers and consultants believe the expectations expressed in such forward looking statements are based on reasonable expectations, investors are cautioned that such statements are not guarantees of future performance and actual results or developments may differ materially from those in the forward looking statements. Factors that could cause actual results to differ materially from forward looking statements include, amongst other things commodity prices, continued availability of capital and financing, timing and receipt of environmental and other regulatory approvals, and general economic, market or business conditions.
